EUCLIDEAN VOYAGE

2019 SURVIVAL GUIDE

EUCLIDEAN VOYAGE

THURSDAY, MAY 23RD, NOON - MONDAY MAY 27TH, NOON
SHANDAKEN, NY

WWW.DISORIENTCOUNTRYCLUB.COM

Travel with us in a continuum of future past time, to explore a mountain forest topology of the discoverable and hidden. We voyage from this dimensional portal to communal points in space and time, finding new passages, seeking understanding with expanded perspectives.

Country Club has been extended to four days this year! Country Club is in a secret upstate New York location that will be shared with ticket-holders. It is an off-the-grid, woodland oasis where blissful self-reliance meets massive multi-player participation. Most of the camping site is in the woods. Country Club is not RV friendly.

PREFACE

CAMPING AREAS

Please note the designated **FAMILY FRIENDLY** and **OPEN CAMPING**. We ask you to respect those wishing a quieter experience in the family areas. Open camping is available beyond the marked spots. Please check in at the gate with any questions and our Lady of the Manor will assist you in locating a perfect camping spot for you and your crew.

GLOW STICKS

In 2017, due to some negligent campers littering their glow sticks, glow bracelets, glow necklaces, etc, clean up was a real problem. Since then, our policy has been to ban these single use items. Please **DO NOT** bring them. We invite you to explore fiber optics, EL Wire and led strips to light up your night experience.

FIRES

Fires for large groups will be coordinated by Disorient production team. Personal small fires must be kept off the ground, in fire dishes, and in well-cleared areas. Extreme care must be practiced to keep from scorching the land

DOGS

Dogs are welcome, but please be aware that the Main Stage can reach levels that are harmful to dogs' sensitive ears. Please keep dogs away from the Main Stage area.

TICKS

Ticks are part of camping in Upstate New York. Please come armed with DEET and Permethrin.

THOMAS EGAN PHOTOGRAPHY

Thomas Egan Photography will once again be capturing the magic this year. If you see him, say hi, and be sure to explore his photos after the event. If you do not wish to have your photo taken please make it known.

PORNU GUARDS

Pornj Guards will be on site to help maintain a safe and consensual environment for all campers. Campers behaving aggressively will be warned once. If a second intervention is necessary, offending campers will be asked to leave.

SAUNA

Use good judgement with the onsite sauna. Children under the age of 18 are not permitted to use without direct guardian supervision.

LAKE

Swimming is permitted in the lake. Please feel free to bring floats, rafts, small boats etc. There is no lifeguard on duty, children under the age of 18 are not permitted to swim without direct guardian supervision.

LEAVE NO TRACE

Country Club is a pack it in, pack it out experience. There are no trash cans onsite.

LEAVE NO TRACE

WHAT'S LNT? WHAT'S MOOP?

LNT is Leave No Trace that you were there. MOOP is Matter Out Of Place. Anything that is not natural to the Country Club grounds is MOOP. Flakes and ashes from burnt material also counts as MOOP. You take out every scrap of material you brought in. That includes all your garbage. DO NOT dispose of anything on the ground. Do a thorough MOOP sweep of your campsite before you leave.

LNT CODE OF CONDUCT

PLASTIC

Plastic disposable cups, just don't. Bring your reusable cup. Don't throw plastic into fires. The fumes will make you feel funny, and not in the good way.

CIGARETTES

Carry a butt can. Use it. Best practice- roll your smokes so you are not leaving filters to be picked up by our rockstar Disengage Team.

HIDE YOUR GARBAGE BAGS

People tend to throw their garbage into whatever open trash bag is available. If you do not want to take out loads of other people's trash, consider a tarp to cover your trash. Also, it makes it easier to separate trash from recycling.

LEND A HAND

Some campers will be coming via bus and cannot bring out bags of trash. Please help these people if you can. If you can't take extra garbage out, please gift some trash bags to the Disengage Crew.

PACKAGING

You can reduce the amount of trash you have to take out by removing any excess packaging from your supplies before you arrive at the event.

CARDBOARD

Do not burn it. It becomes a flakey mess that is impossible to clean up.

SELF RELIANCE

WE DO NOT PROVIDE

YOU NEED TO BRING:

Photo ID
Food
Beverages
Cooking supplies
Utensils
Reusable cup
DEET / Premethrin
Tent

No ticket = no entry
No tickets will be sold at the gate.

THE GATE

GATE IS NOT OPEN 24 HOURS DURING EVENT

2019 Gate Schedule

Thursday-Gates are open Noon to 2AM

Friday - Gates are open 9AM to 2AM

Saturday- Gates are open 9AM-10PM

You will be allowed to go in and out once you have arrived but please, be respectful of the neighbors when you do so. Don't be loud. No late night trips unless absolutely necessary.

PARKING

Park in the parking lot, see the Site Map.

You **CANNOT** park on the grass.

You **CANNOT** park by your tent.

You will be allowed to drive to your campsite to temporarily unload.

Limited production parking passes will be available for production-related vehicles to park on the grounds.

SETTING UP CAMP

Please note the **FAMILY FRIENDLY** and **OPEN CAMPING**. We ask you to respect those wishing a quieter experience in the family areas. Open camping is available beyond the marked spots. Please check in at the gate with any questions and our Lady of the Manor cell will assist you in locating a perfect camping spot for you and your crew. We encourage you to bring EZ ups and other shade structures to make your experience more comfortable. Hot tip: 6-8 inch lag bolts combined with an impact driver will make your tie down experience modern and easy.

RVS

Country Club is not RV friendly. No RVs.

BE COOL. STAY SAFE.

TWO IMPORTANT RULES

1. **Respect personal boundaries.**
2. **Take responsibility for your own experience.**

These two rules form a social contract that makes our events safe places to explore your own boundaries while encouraging respect for each other.
Talk to those around you about anything that makes you uncomfortable.

THE WEATHER

Mountain weather is unpredictable. It could be 90° F or 30°F while you're there. Come prepared. The mountains can get cold at night even in the summer. Waterproof boots are needed to keep your feet dry if any showers occur. Bring a warm sleeping bag and pad, and make sure your tent is zipped closed to protect your items from the elements.

NIGHT TIME SAFETY

Please make sure you are lighting yourself and your camp area up at night. Think LEDs, EL Wire, reflective tape, headlamps, string lights. It's for your safety and the safety of others.

GLASS

Avoid glass. No glass beverage bottles, please. It is a bitch to deal with if they break. Cans, on the other hand, can be crushed and put with your recycling. Crushed cans also take up less space in your already full car.

AGAIN, LEAVE NO TRACE

Do not leave anything on the grounds.
Do not leave your stuff at other people's campsites for them to clean up.

THE LAKE

Swimming is permitted in the lake. Please feel free to bring floats, rafts, small boats etc. There is no lifeguard on duty, children under the age of 18 are not permitted to swim without direct guardian supervision.

PORTOS

Portos will be provided.
Single ply toilet paper only, no flushable wipes.

DOGS

You may bring your dog but please be mindful of them, as there are coyotes and snazzwangers in the area. You are responsible for cleaning up after your pets, Poop = moop. And, again, we urge you not to bring your dog down to the main stage when there are DJs performing, as it will probably make your dog miserable.

VENDING

Disorient will not be vending at Country Club, and no vending is allowed.

SAUNA

Use good judgement with the onsite sauna. Children under the age of 18 are not permitted to use without direct guardian supervision.

PARTICIPATION

GET CREATIVE

Part of what makes our Country Club community great is the enthusiasm and creativity of our participants. In addition to being a venue of music and camping, we also are a venue for art installations and interactive experiences. Disorient is offering art grants for projects displayed at Country Club. Please fill out [this](#) form to contribute.

We request that very large art, or art that requires power or fire elements be coordinated with us to ensure that your art can be safely displayed. For more information, email countryclub@disorient.info

GET INVOLVED

The mission of Disorient is to make people happy. As we get bigger and more organized, it's important to remember that what makes Disorient special is that by joining together, we can bring happiness to more and more people. That is what we do on the playa. It is what we strive to do off the playa. Volunteer to join us. It is our foundation. It is our heart. Join the volunteer squad. Help us make the magic that is the Country Club experience. It is not a great way to meet new people and get involved, it is the BEST way. You will truly feel a part of the fold once you have been a part of the creation of a Disorient event. Want to volunteer for Country Club? Unsure of what you can do? Do not fret, my friend, no specialized skills are necessary. Here, fill out [this](#) form. We'll find a place for you, we promise.

Want to know about other volunteer opportunities for other Disorient events? We have [this](#) group for that.

ART

REFRACTED WAVES

Sofy Yuditskaya

A voyage through non-euclidean space time. As you move through the sound installation, the universe moves around you. Does it change because you change, or does it change because of its own evolving logic? Enter this labyrinth of sound, find a gravitational vortex and stay a while, explore the landscape, walk the middle path, time travel.
