LEAVE NO TRACE

Country Club is a LNT event.

A very generous Disorient supporter has gifted us with the use of his land to host Country Club. Please give your utmost respect to the land and take everything you brought in, back out with you.
Our goal is to leave the site better than when we found it.

MOOP= MATTER OUT OF PLACE

If it did not start out living on the site, you are part of the effort to trash it or return it to it's home. This may mean cleaning up stuff that you did not leave. It is not cleaning up after someone, it's tending to the environment where we celebrate. Expect collective MOOP sweeps to happen during the event and expect to participate.

Leave no trace includes burnt material. Clean up any flakes and ashes left from burnt items.
Also, PAY ATTENTION, burning cardboard is flakey and flies easily and you will have to go and chase it.

SMOKERS!

Carry a butt can. Use it. Best practice- roll your smokes so you are not leaving filters to be picked up by our rockstar Disengage Team.

PACKAGING

You can reduce the amount of trash you have to take out by removing any excess packaging from your supplies before you arrive at the event.

HIDING YOUR GARBAGE

People tend to throw their garbage into whatever open trash bag is available. If you do not want to take out loads of other people's trash, consider a tarp to cover your trash. Also, it makes it easier to separate trash from recycling.

BE A FRIEND

Some of our friends will be departing via bus and thus will not be able to take out bags of garbage. At the very least, you will earn a friend for life, if you give the gift of space for a couple extra bags of garbage. If you cannot spare space, gift some garbage bags to the Disengage Crew.

PLASTIC

Plastic. We love it for so many things. We do not love it when it is a disposable plastic cup. Bring a reuseable, non-glass cup/tumbler/bottle with your name on it. If you bring a really nice cup, it can become part of your playa persona.

Do not throw any plastic or glass into burn barrels. Inhaling burning plastic makes you feel weird, and not in the good way.

TRASH CANS WILL NOT BE PROVIDED

You are responsible for taking out all your trash. Bring a minimum of 5 heavy duty garbage bags.

BRING

- RADICAL SELF-RELIANCE

SELF-RELIANCE

WATER

So Important!

There is no water provided at Country Club. There are no public showers. You must bring all the water you will need for the weekend. The common recommendation is 1 gallon per person per day. Our recommendation, bring a bit more than that for cooking needs, cleaning dishes and if it is particularly hot and you need to hydrate more than normal.

Please note the new QUIET CAMPING AREAS and NOT SO QUIET CAMPING AREAS on the site map. There are other areas in which to camp but we have designated these areas based on feedback from our campers looking for a more specific experience.

CAMPING

Country Club is not RV friendly. If you have made plans to bring an RV to Country Club you must contact us directly at countryclub@disorient.info RV services for grey and black water or water replenishment will not be permitted on site.

RVs

PARTICIPATION

Part of what makes our Country Club community great is the enthusiasm and creativity of our participants.

In addition to being a venue of music and camping, we also are a venue for art installations and interactive experiences. Disorient is offering art grants for projects displayed at Country Club. Please fill out this [form](#) to contribute.

We request that very large art, or art that requires power or fire elements be coordinated with us to ensure that your art can be safely displayed. For more information, email countryclub@disorient.info

VOLUNTEERING

Parties don't throw themselves, folks. Sorry to break it to you. Volunteering is why we exist.

It is our foundation. It is our heart. Join the volunteer squad. Help us make the magic that is the Country Club experience. It is not a great way to meet new people and get involved, it is the BEST way. You will truly feel a part of the fold once you have been a part of the creation of a Disorient event.

Want to volunteer for Country Club? Unsure of what you can do? Do not fret, my friend, no specialized skills are necessary. Here, fill out this [form](#). We'll find a place for you, we promise.

Want to know about other volunteer opportunities for other Disorient events?

We have this [group](#) for that.

Mountain weather is unpredictable. It could be 90° F or 30°F while you're there. Come prepared. The mountains can get cold at night even in the summer. Waterproof boots are needed to keep your feet dry if any showers occur. Bring a warm sleeping bag and pad, and make sure your tent is zipped closed to protect your items from the elements.

WEATHER

Wear Lights at Night. This is a safety thing.
Please, no flushable wipes in the portos!
This is a LEAVE NO TRACE, Pack it in, Pack it OUT event.
Photography - Ask before taking photos of anyone.

GETTING AROUND

Avoid glass. No glass beer bottles please. Glass takes up more room in the fridge and cooler, you can't shotgun them and it is a bitch to deal with if they break. Cans, on the other hand, can be crushed and put with your recycling, crushed cans take up less space in your already full car.

GLASS

1. Respect personal boundaries.
2. Take responsibility for your own experience.
The interplay of these two rules forms a social contract that makes our events safe places to explore your own boundaries while encouraging respect for each other.
Talk to those around you about anything that makes you uncomfortable.

TWO RULES

RESPONSIBILITY

You may bring your pets but please be mindful of them, as there are coyotes and snazzwanglers in the area. You are responsible for cleaning up after your pets, poop = moop.

PETS

Disorient will not be vending at Country Club, and no vending is allowed.
