PRESENTS

COUNTRY CLUB VI

2015

NOON, MAY 27TH

NOON, MAY 30TH

SHANDAKEN, NEW YORK

Country Club is deep chilling with Disorient.
Three days of off-the-grid relaxation where blissful
self-reliance meets massive multiplayer participation.
It is a blank canvas for music, art, and performance,
where every host is our guest, and every guest is our host.
Create your own art and interactivity and come to play!

WE RETURN FOR A SIXTH INCARNATION.
SIX, THE FOUR CARDINAL DIRECTIONS JOINED WITH
ABOVE AND BEYOND.
NUMERAL OF LUCK, IT IS THE FORTUNATE
THROW OF THE DICE.

BASICS

1 LEAVE NO TRACE

This means leave the place you visit the same or better than you found it.
Bring trash bags, and take your trash with you when you leave.

2 SELF-RELIANCE

Bring everything you need for survival and well-being including shelter, shade, food and water.

3 TICKETS

Country Club is a private ticketed event.
No ticket = no entry
No tickets will be sold at the gate.

4 PARKING

There is no parking on the grass or in camping areas at Country Club. There are designated parking areas for all attendees.

5 CAMPING

Country Club is not RV friendly. There may be accommodations made if you need to bring an RV. See further information on the following pages

6 PARTICIPATION

Disorient is offering art grants for projects displayed at Country Club.

7 VOLUNTEERING

Volunteer to help us make the magic that is the Country Club experience.

8 PERSONAL SAFETY

Wear lights at night. Prepare for a variety of weather conditions. Respect others.

9 VENDING

Disorient will not be vending at Country Club, and no vending is allowed.

10 PETS

You may bring your pets but please be mindful of them, as there are coyotes and snazzwangers in the area. You are responsible for cleaning up after your pets, poop = moop.

FURTHER INFORMATION ON THE FOLLOWING PAGES

LEAVE NO TRACE

Country Club is a LNT event.

A very generous Disorient supporter has gifted us with the use of his land to host Country Club. Please give your utmost respect to the land and take everything you brought in, back out with you. Our goal is to leave the site better than when we found it.

MOOP= MATTER OUT OF PLACE

If it did not start out living on the site, you are part of the effort to trash it or return it to it's home. This may mean cleaning up stuff that you did not leave. It is not cleaning up after someone, it's tending to the environment where we celebrate. Expect collective MOOP sweeps to happen during the event and expect to participate.

Leave no trace includes burnt material. Clean up any flakes and ashes left from burnt items. Also, PAY ATTENTION, burning cardboard is flakey and flies easily and you will have to go and chase it.

SMOKERS!

Carry a butt can. Use it. Best practice- roll your smokes so you are not leaving filters to be picked up by our rockstar Disengage Crew.

PACKAGING

You can reduce the amount of trash you have to take out by removing any excess packaging from your supplies before you arrive at the event.

HIDING YOUR GARBAGE

People tend to throw their garbage into whatever open trash bag is available. If you do not want to take out loads of other people's trash, consider a tarp to cover your trash.

BE A FRIEND

Some of our friends will be departing via bus and thus will not be able to take out bags of garbage. At the very least, you will earn a friend for life, if you give the gift of space for a couple extra bags of garbage. If you cannot spare space, gift some garbage bags to the Disengage Crew.

PLASTIC

Plastic. We love it for so many things. We do not love it when it is a disposable plastic cup. Bring a reuseable, non-glass cup/tumbler/bottle with your name on it. If you bring a really nice cup, it can become part of your playa persona.

Do not throw any plastic or glass into burn barrels. Inhaling burning plastic makes you feel weird, and not in the good way.

NO TRASH CANS WILL BE PROVIDED

You are responsible for taking out all your trash. Bring a minimum of 5 heavy duty garbage bags.

PARTICIPATE

Part of what makes our Country Club community great is the enthusiasm and creativity of our participants.

In addition to being a venue of music and camping, we also are a venue for art installations and interactive experiences.

Disorient is offering art grants for projects displayed at Country Club. Please fill out the [form](#) to contribute.

We request that very large art, or art that requires power or fire elements be coordinated with us to ensure that your art can be safely displayed. For more information, email countryclub@disorient.info

VOLUNTEER

Parties don't throw themselves, folks. Sorry to break it to you. Volunteering is why we exist. It is our foundation. It is our heart. Join the volunteer squad. Help us make the magic that is the Country Club experience. It is not a great way to meet new people and get involved, it is the BEST way. You will truly feel a part of the fold once you have been a part of the creation of a Disorient event.

Want to volunteer for Country Club? Unsure of what you can do? Do not fret, my friend, no specialized skills are necessary. Here, fill out this [form](#). We'll find a place for you, we promise.

Want to know about other volunteer opportunities for other Disorient events? We have a [group](#) for that.

COUNTRY CLUB VI SITE MAP 2016

All placement is subject to disorientation. Plan accordingly.

THE GATE

GATE IS NOT OPEN 24 HOURS DURING EVENT

GATE HOURS:

Friday - Noon to 3AM
Saturday - 9AM-10PM
Sunday - Gate is closed to new arrivals

You will be allowed to go in and out once you have arrived but please, be respectful of the neighbors when you do so. Don't be loud. No late night trips unless absolutely necessary.

PARKING

There is no parking on the grass or in the actual camping areas at Country Club. You will not be able to park your car by your tent. There are designated parking areas for all attendees. Limited production parking passes will be available for production-related vehicles to park at HQ. Any cars parked anywhere besides designated parking areas will be asked to move. If you are asked to move and you do not, you will find a very nice and very large note on your windshield or other surface. Do not be that guy.

RVs

Country Club is not RV friendly. If you have made plans to bring an RV to Country Club you must contact us directly at countryclub@disorient.info. RV services for grey and black water or water replenishment will not be permitted on site.

SELF-RELIANCE

WATER

So Important!

There is no water provided at Country Club. You must bring all the water you will need for the weekend. The common recommendation is 1 gallon per person per day. Our recommendation, bring a bit more than that for cooking needs, cleaning dishes and if it is particularly hot and you need to hydrate more than normal.

GETTING AROUND

Wear Lights at Night. This is a safety thing.
Please, no flushable wipes in the portos!
This is a LEAVE NO TRACE, Pack it in, Pack it OUT event.
Photography - Ask before taking photos of anyone.

TWO RULES

1. Respect personal boundaries.
2. Take responsibility for your own experience.

The interplay of these two rules forms a social contract that makes our events safe places to explore your own boundaries while encouraging respect for each other.

Talk to those around you about anything that makes you uncomfortable.

WEATHER

Mountain weather is unpredictable. It could be 90° or 30° while you're there. Come prepared. The mountains can get cold at night even in the summer. Waterproof boots are needed to keep your feet dry if any showers occur. Bring a warm sleeping bag and pad, and make sure your tent is zipped closed to protect your items from the elements.

GLASS

Avoid glass. No glass beer bottles please. Glass takes up more room in the fridge and cooler, you can't shotgun them and it is a bitch to deal with if they break. Cans, on the other hand, can be crushed and put with your recycling, crushed cans take up less space in your already full car.
